GIAVANI

bathrooms

OVER 20 YEARS OF DESIGN

Drawing on over 20 years of design expertise, Giavani Bathrooms specialises in creating spaces that are streamlined, comfortable and stylish; embodying the very essence of contemporary bathroom design.

Our collection of bathroom products and accessories are a brilliant reflection of our extensive experience and design heritage. Every product in our range has been crafted with care and precision, to exacting standards. The final result is a perfect harmony of performance and aesthetics; built to perform, and designed to last.

GUARANTEES

Please note that our guarantees cover our products for normal domestic use only. This means they cover the material structure of the product against manufacturing defects for the guarantee period stated, and are only applicable in the UK and Republic of Ireland. These guarantees are subject to certain exclusions and terms and conditions, which do not affect your statutory rights.

They do not cover:

- Non-domestic use
- Failure to install correctly
- Fair wear and tear
- Electrical failure
- Moving parts which are likely to perish over time
- Neglect or misuse

QC = Quick Code = Medium Pressure = High Pressure

= Approved By The Water Regulations Advisory Scheme

*NB: The images included in this brochure are for illustration purposes only, and finished products may exhibit small differences or variations. All prices include VAT. All prices correct at time of print April 2023.

Sanitary Ware

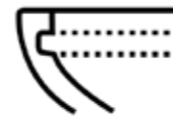

The beautiful curves and the soft square profiles adds a touch of elegance to any contemporary bathroom design.

SANITARY WARE

Double-shift water outlet: the design of the 3/4.5L double-shift water outlet not only ensures a thorough clean, but it also saves water.

Rimless toilet: traditional flush rims attract germs, dirt and deposits. Each LETOP Rimless Toilet is designed entirely without a flush rim, so there are no hidden, hard-to-reach places where bacteria can build up and odour can develop.

Soft close seat cover: a built-in damper reduces the impact and noise made by the seat cover when it's closed.

Technical drawings available on pages XX-XX

Easy to clean glazing: the smooth surface of the porcelain glaze has been specifically designed to be easy to clean, with no hidden or hard-to-reach places where bacteria can build up.

Whole-sewer glazing: the inner surface of sewer is completely glazed, ensuring that there is nowhere for dirt to hide, minimising the chance of blockages.

Easy assembly & disassembly: the design of easy assembly & disassembly is excellent. A slight twist can ensure the easy cleaning of the toilet.

FLUSHING

RIMLESS

Rimless toilet: traditional flush rims attract germs, dirt and deposits.

Each LETOP Rimless Toilet is designed entirely without a flush rim, so there are no hidden, hard-to-reach places where bacteria can build up and odour can develop.

Mirrors

The beautiful curves and the soft square profiles adds a touch of elegance to any contemporary bathroom design.

MIRRORS

LANDSCAPE & PORTRAIT MOUNTING

EASY TOUCH COLOUR CHANGE

All mirrors are built using an ultra-modern no-touch on/off switch. The light can be turned on and off by gently touching the sensor on the glass.

IP

IP44 RATED CLASS 1 RATED

All mirrors are IP44, Class 1 Rated and suitable for installation in zones 2 or 3 of a bath/shower room.

SAFETY GLASS

5mm-thick mirror. Safety film backed with sealed mirror edges.

HEATED DEMISTER PAD

All of our mirrors come with heated demister pads, enabling you to use the mirrors in steamy bathrooms.

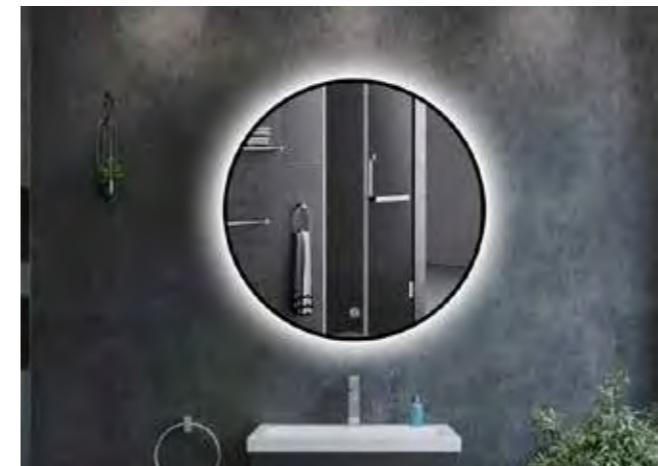

INFRARED ON/OFF SWITCH

Some of our mirrors and cabinets are built using no-touch on/off switches.

15 YEAR DOMESTIC WARRANTY

10 YEAR COMMERCIAL WARRANTY

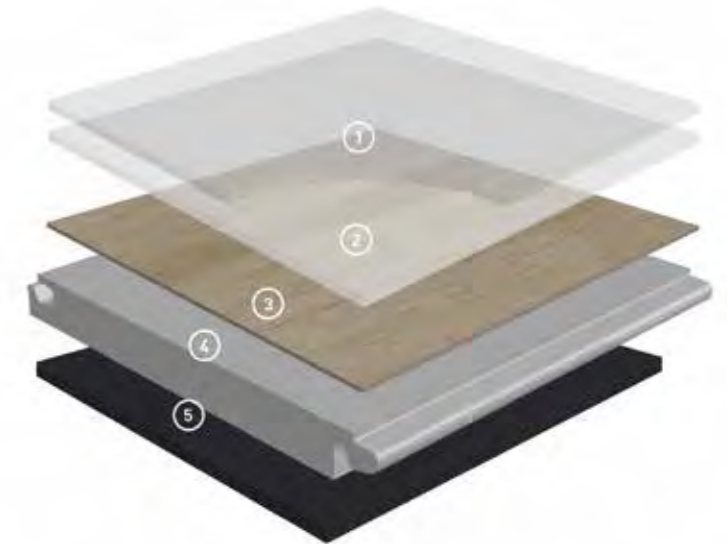

CAN BE INSTALLED OVER OLD TILES

CLASS 1 FIRE RATED

SPC FLOORING SPECIFICATIONS

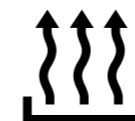

- 1 **UV Coating extra-dur.**
Adds maximum resistance to UV from the sun, the color keeps stable without tarnish. This superior layer avoids the deterioration due to scratches, stains or clefts.
- 2 **High resistance PU protective layer.**
Composed by ceramic micropearls avoids the wear and guarantees an extreme durability and acts as an extra protector layer.
- 3 **PVC decorative layer.**
The superior layer of vinyl is the designed element to give style to this technic pavement.
- 4 **SPC Board.**
The SPC board is characterised for being dense, 100% waterproof with the guarantee of resistance against expansion and shrinkage.
- 5 **EVA backing.**
Adaptable to small imperfections of the subfloor providing damping.
- 6 **6 mm thickness.**
The perfect thickness, the tiles are easy to manage and install.

MINERAL COMPOSITE WALL TILES

LIFESTYLE
CARRERA

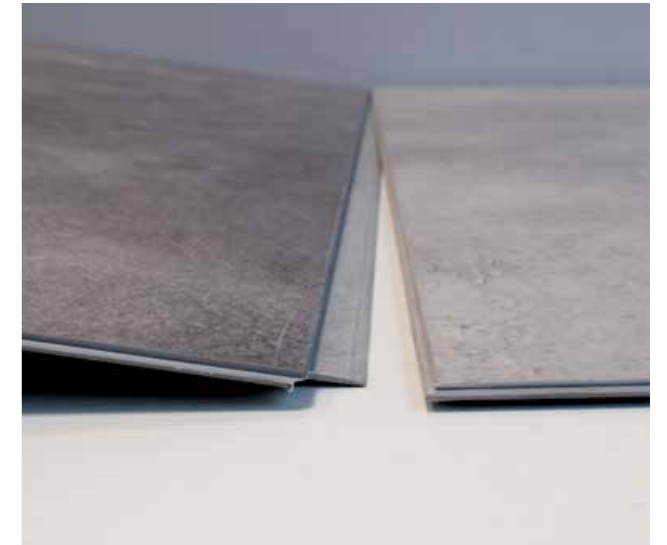

Composite Panel with Tongue & Groove System

The Tongue&Groove system together with the mineral structure makes the product perfectly adaptive to any surface for a professional work. The Composite Panel provides superior rigidity and high resistance making the product harder than a ceramic tile.

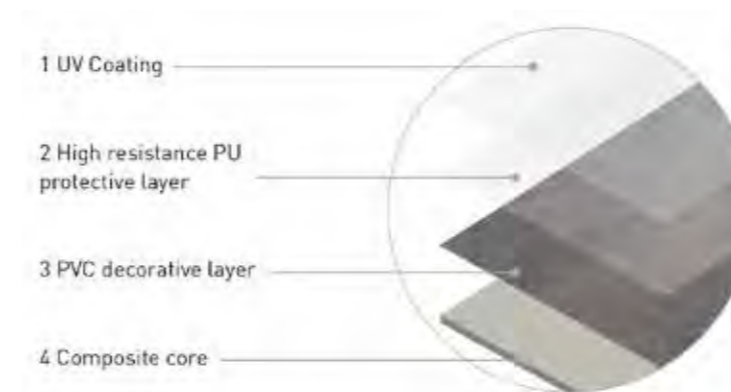

Fitted for new projects or renovations

Save time in installation, is really fast and easy.
Won't cause dust, noise or any type of mess at all.

Extra-safe connection

Thanks to the Tongue & Groove connection system, water will not pass through the joints.

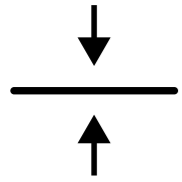

25% PVC
70% Mineral Powder
5% Resin

Extra-thin product,
